

*Everything Matters™: Stress, Success and Having
A Wonderful Life!
A Resolution seminar for success-driven men and women.*

Leadership Skills

Success Skills

Find out how to build a successful life you enjoy.

Work & LifeBalance

You Must Change if You

Team Building

- Are less productive and unhappy as you find yourself overcommitted, sabotaged or not supported.
- Often get frustrated, lose hope or get angry instead of just saying what you like and don't like, and get what you desire and require.
- Have shortness of breath, body pain, sleeplessness, or frequently feel miserable.

Conflict Resolution

HR & Termination

What: A small group seminar of success-driven gentlemen and ladies who want more wisdom for greater success and well-being in their life.
